ABOUT WORK.LIFE
UK Music moved into Work.Life, a co-working office space, in August 2022. Work.Life is a certified B Corp. This means the office meets the highest standards of social and environmental performance, transparency and accountability. Amongst other things, this includes:
• 100% of electricity is provided by renewable energy suppliers.
• Recycling programmes are in place in all locations.
• Offices use energy efficient devices and light sensors.
• They follow an environmentally PPP (Preferable Purchasing Policy) when choosing a supplier. This also means some decisions on energy, water and office supplies are not up to UK Music. We will continue to engage with Work.Life on their policies and keep standards high internally.
